

## ForeFlight Mobile - Tips, Tricks, & Hands On Training!

Come spend an evening with an expert who will teach you how to use this amazing new tool to save time, money, and even be safer! This hands on entertaining class will teach you everything from flight planning, to fuel savings, use in emergencies and at least 5 new cool tricks most people don't know and the one missing feature it can't do! If you have it, want it, or have never heard of it come and learn. If you already have it bring your ipad or iphone and do some hands on training right in class!

**Directions:** All FAA Safety Classes are held on the 3rd Floor.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
